## Who We Are

**Bostocap specializes in bespoke stoppers and capsules, redefining spirits packaging.**

Bostocap is a key player in spirits packaging, specialising in the development of bespoke stoppers and capsules.

We redefine packaging standards in the spirits market combining industry expertise with innovation. Our approach is to first understand clients' specific requirements in terms of bottling dates; volume and price and then provide most suitable options with a particular attention to sustainability, on time delivery and client satisfaction.

# Our commitment

Combining industry expertise and innovation, we set new standards for spirits packaging, with a strong focus on sustainability, on-time delivery, and client satisfaction.
